Your Ref: QUOTE

Dear Mr. Bonner,

Site Address: Column 1 Neames Forstal / FAVERSHAM ME13 9PP

I am writing to you on behalf of South Eastern Power Networks plc the licensed electricity distribution network owner for the above site, trading as and referred to in this Notice as UK Power Networks.

Please find enclosed your quotation for UK Power Networks to carry out the Works described in the Schedule in accordance with the attached Terms and Conditions. This Quote is for unmetered connections and is only applicable to existing services that are UK Power Networks fed or for new connections and has been calculated in accordance with our Common Connection Charging Methodology.

Subject to the Terms and Conditions which set out certain circumstances where we may need to change the price and the completion date of the Works, the Works will be completed by the completion date and for the price stated in the Schedule.

Terms and Conditions
This quotation is provided on UK Power Networks' Terms and Conditions unmetered version 3. The Terms and Conditions are attached and can be found by searching for `Terms and Conditions Unmetered Connections` on our website at www.ukpowernetworks.co.uk.

By accepting this quotation you agree to be bound by the Terms and Conditions.

Unmetered Supply Agreement
No unmetered connection work can be undertaken unless an Unmetered Supply Agreement exists with UK Power Networks. To arrange an Unmetered Supply Agreement please contact income management at UK Power Networks (Operations) Limited, Energy House, Carrier Business Park, Hazelwick Avenue, Three Bridges, Crawley, West Sussex, RH10 1EX or email UMSO@ukpowernetworks.co.uk for an application form and further advice.

Validity of the Quotation

This quotation is only valid for 90 days from the date of this letter, until 01 June 2022. After this date if you later wish to proceed with the Works you will need to request a new quotation.

Accepting this quotation
If you wish to accept this quotation you must make payment to us for the Price in full so that it is received in cleared funds before 5pm on 01 June 2022.

This is not an invoice for Tax purposes. Upon receipt of payment a VAT receipt or invoice will be sent by return.

What happens once you have accepted the Quotation?
Once we have received your payment and, where appropriate, the test certificates, we will contact the person named by you as Site/Project Contact on your Quotation request (Q Form) to agree our delivery timescales with them. These delivery timescales may be covered by our guaranteed standards of performance, which can be found by searching for "Our Connection Standards of Performance" on our website at www.ukpowernetworks.co.uk

Complaints
If you have reason to complain about your Connection please use our Complaints Procedure which can be found by searching for "Complaints" on our website at www.ukpowernetworks.co.uk or phone: 0800 028 4587.

Lane rental and additional charges
The Works that are the subject of this quotation may be carried out in roads that are subject to lane rental or additional charges. Lane rental charges are daily charges levied by certain road authorities such as TfL where a utility is carrying out works in roads that are covered by a lane rental scheme. Please note that the price may be amended in accordance with the Terms and Conditions to reflect the costs arising from such lane rental charges. Additional charges may apply if we need to suspend parking bays or bus stops etc. These will be in accordance with your relevant local authority.

If you want to discuss this quotation or require further assistance please contact me on 01622 352623 between 8.30am and 4.30pm.

Yours Sincerely

Aimee Marshall
