January 2024

Dear Subscriber

Selling Parish Magazine

Thank you for your subscription for the past year and I hope that you have enjoyed the content and found it informative.

The annual subscription for 2024 is due in January/February but as the next magazine will be the February issue I am writing now to advise you that unfortunately the cost of Post and Packing will have to increase to a total of £17.50 (this includes the cost of the magazine). This is mainly due to the rise in the cost of stamps. Cheques should be made payable to Selling PCC and sent to the above address. You may also pay by BACS.

Please put your name and PM (Parish Magazine) after it so that we know what the payment is for. If you could let me know if you have paid by this method it would be helpful.

It would be greatly appreciated if we could receive your subscription by end February 2024 if you wish to continue receiving the magazine. Regrettably due to the cost of postage if we do not receive your subscription by the due date we will not be able to post the magazine to you.

If you would like to collect your copy from Selling Church to save the cost of postage we can leave a copy there in an envelope for you and the cost would be £6.00 for the year.

Please let us know if you would like to continue with your subscription and if you would like it posted or if you will collect from church.

Thank you for your understanding.

With kind regards

Valerie Champion
