There is no requirement to have a limited assurance review or to submit an Annual Governance and Accountability Return to the external auditor, **provided** that the authority has certified itself as exempt at a meeting of the authority after 31 March 2023 and a completed Certificate of Exemption is submitted no later than **30 June 2023** notifying the external auditor.

- The court has not declared an item of account unlawful after a person made an appeal under section 28(3) of the Act.

If the above statements apply and the authority neither received gross income, nor incurred gross expenditure, exceeding £25,000, then the Certificate of Exemption can be signed and a copy submitted to the external auditor **either by email or by post (not both)**.

The Annual Internal Audit Report, Annual Governance Statement, Accounting Statements, an analysis of variances and the bank reconciliation plus the information required by Regulation 15 (2), Accounts and Audit Regulations 2015 including the period for the exercise of public rights still need to be fully completed and, along with a copy of this certificate, published on the authority website/webpage* before 1 July 2023.

Explanation of significant variances in the accounting statements – AGAR Section 2

Parish Council name: Selling Parish Council

Please explain any variances of more than 15% between the totals for individual boxes in Section 2. We do not require explanations for variances of less than £200; however, in some cases there may be 'compensating' variances which leave the overall total for a box relatively unchanged – e.g. where there was a major one-off project in one year (e.g. contribution to village hall extension of £30,000), but a totally different expense of a similar size in the next (e.g. purchase of playground equipment of £28,000). In such cases, it would be helpful to provide an explanation of movements within each box. We also ask you to explain any change where there is a movement to or from zero. Please either use the proforma below or complete a separate schedule if more space is required.
