

Selling Parish Council

1st July 2021

Dear Councillors,

We, and Selling residents, are very grateful that you have voted to support the Postal Outreach Service in the Village Hall. This will enable the service to continue which would otherwise not be possible.

I enclose the total weeks used Invoice to date. Some weeks missed due to weather and some due to supply of usable equipment by the Postal HQ.

Over the past few weeks a full service has been available and all main services available, with the exception of Foreign Exchange.

With Thanks + Very Best wishes

Sue Smart

Village Hall Management Committee Chair
