

# SELLING PARISH COUNCIL

## Community Grants Scheme

### Policy

The Parish Council wishes to help fund local organisations and projects that are of benefit to the residents of Selling when funding allows. It is intended that the grants given should encourage and extend activities of local groups/projects, support participation in activities that are open and accessible to everyone and improve the quality of life of residents. The level of the grant should reflect the benefit provided.

### Who can apply?

Voluntary or charitable organisations that are based, or have a local branch in Selling.  
Organisations whose work directly benefits a number of the residents.  
New organisations whose work will directly benefit residents.

### Grants cannot be awarded to

Individuals,  
For-profit companies or organisations,  
Trusts seeking to add capital to investments,  
Groups with access to national or central funding (unless funding is unavailable).

### We will not normally fund

On-going commitments or staff costs.  
It is illegal for a Council to guarantee, either by inference or specifically, to automatically continue funding on a year-by-year basis.

### We will not fund

Retrospective applications.  
Items which only benefit individuals.

### Conditions

- All applicants are required to carry out their activities in a proper manner giving due regard, as appropriate, to safety issues, training, insurance, disability access and equal opportunities.
- Successful grant applications must be used within 6-months from the date on the grant confirmation letter. If not used within this time-frame, the grant application must be re-submitted.
- Selling Parish Council reserves the right to recall any grant given which has not been properly used or where the organisation has ceased to operate.
- Grants must be used only for the purpose stated on the application.
- If the organisation decides it wishes to spend the money on something else they seek prior permission of the Council.

### **Successful organisations must:**

Provide evidence that the grant has been used for the stated purpose and may be asked to provide a photograph that can be used by the Council in its publicity, such as on its website.

### **Don't be put off - it's not as complicated as it sounds!**

There is help available: please contact the Parish Clerk, Wendy Gregory, on 07790 903442 or by email at: [clerk@sellingparishcouncil.gov.uk](mailto:clerk@sellingparishcouncil.gov.uk)

### **When can I apply?**

Applications can be submitted at any time and will normally be considered at the first full Council meeting after receipt of the completed application form. You will be informed of the decision once the Council has considered your application.

### **What happens with my information?**

Your application form and accompanying documents will be shared with the Parish Councillors via email and post. If successful your application will be kept on file for a minimum of 7-years for financial purposes. Unsuccessful applications will be kept for a period of no longer than 1-year for administrative purposes.

### **How much does the Council have to give away?**

For the financial year 2020/2021 the total grant budget is £1,500. The budget figure is set annually and has to strike a balance between what the ratepayers can afford through the local Council Tax (Precept) and what the possible demand may be.
