Cllr Saunders attended the KALC SAC meeting and reported that to join the meeting was challenging and the structure of the meeting chaotic and she was disappointed with the response from members when she reported the problems of antisocial behaviour at Perry Wood.

Cllr Day reported on a Public Rights of Way matter where a member of the public had sent in a picture of three dogs in an aggressive stance at a gate on PROW ZR554. Cllr Day reported it to Swale Borough Councils PROW Officer and they are writing to the landowner and the member of the public has been advised to contact the police. It was suggested that Cllr Day may wish to report this to the dog warden at SWB.

Cllr Day reported that a photograph of a rider on a quad bike heading into Perry Wood has been sent to the Police and as the bike was discovered to be SORN, reported to the DVLA. Details were sent to Cllr Valentine who forwarded on to Sgt Hedges and asked for an update.

Cllr Bowles reminded Councillors that the survey on the County Budget had been circulated and any thoughts or comments would be welcome. KCC passed its energy and low emissions strategy and seeks to bring the zero carbon figure forward from 2050 to 2030.
