

SELLING PARISH COUNCIL

PLANNING POLICY

1. PLANNING APPLICATIONS GENERAL

1.1 What powers does Selling Parish Council have with respect to planning applications?

Selling Parish Council is a statutory consultee. We are consulted by the relevant Planning Authority; Swale Borough Council. Any views expressed by the Parish Council will be taken into account by Swale Borough Council before a decision is made, providing the points made are relevant to the determination of a planning application. Selling Parish Council will only comment on what are known as “material considerations”. The final decision is made by Swale Borough Council, the Planning Authority, **not** the Parish Council.

1.2 Do Parish Councils grant planning permission?

- Town and parish councils are not Planning Authorities. Town and parish councils are only statutory consultees in the planning process.
- This means that they only have the right to be informed of planning applications within the parish.
- They cannot approve or reject planning applications.
- They can only comment on planning applications in the same way that individuals can comment.
- Consequently, the length of time taken to determine a planning application is governed by the local planning authority not the parish council.
- A parish council can request that it be given extra time to comment on an application.
- The decision whether this is granted rests solely with the planning authority and its own deadlines for decision making.

1.3 How do Parish Councils comment on planning applications?

- Parish councils can only agree to comment on planning applications in properly called council or committee meetings which the public can attend.
- The comments agreed in the council meeting are submitted in writing by the parish clerk to the relevant planning authority.
- The process is exactly the same as that of an individual wishing to comment on a planning application.
- Parish councils are statutory consultees and have no powers to approve or reject planning applications, they can only comment or not, on applications.

1.4 Valid reasons for comment on a planning application?

Comments that are clear, concise and accurate stand more chance of being accepted than those that are not. When planning applications are considered, the following matters can all be relevant. These are sometimes referred to as ‘material planning considerations’:

- Central government policy and guidance - Acts, Circulars, Planning Policy Guidance Notes (PPGs) etc.
- The Development Plan - and any review of the Development Plan which is underway.

- Adopted supplementary guidance - for example, village design statements, conservation
- area appraisals, car parking standards. Replies from statutory and non-statutory agencies (e.g. Environment Agency, Highways Authority).
- Representations from others - neighbours, amenity groups and other interested parties so long as they relate to land use matters.
- Effects on an area - this includes the character of an area, availability of infrastructure, density, over-development, layout, position, design and external appearance of buildings and landscaping
- The need to safeguard valuable resources such as good farmland or mineral reserves.
- Highway safety issues - such as traffic generation, road capacity, means of access, visibility, car parking and effects on pedestrians and cyclists.
- Public services - such as drainage and water supply
- Public proposals for using the same land
- Effects on individual buildings - such as overlooking, loss of light, overshadowing, visual intrusion, noise, disturbance and smell.
- Effects on a specially designated area or building - such as green belt, conservation areas, listed buildings, ancient monuments and areas of special scientific interest.
- Effects on existing tree cover and hedgerows.
- Nature conservation interests - such as protection of badgers, great crested newts bats etc.
- Public rights of way
- Flooding or pollution.
- Planning history of the site - including existing permissions and appeal decisions.
- A desire to retain or promote certain uses - such as playing fields, village shops and pubs.
- Need for the development - such as a petrol station
- Prevention of crime and disorder
- Presence of a hazardous substance directly associated with a development
- Human Rights Act
- Precedent - but only where it can be shown there would be a real danger that a proposal would inevitably lead to other inappropriate development (for example, isolated housing in the countryside)

1.5 Irrelevant reasons for objection?

There are certain matters which do not amount to 'material planning considerations' under current legislation and guidance. These matters cannot be taken into account in considering a planning application and should not be included in objections as they weaken your case:

- Speculation over future use
- The identity of the applicant or occupant
- Unfair competition

- Boundary disputes
- Breach of covenants and personal property rights, including personal (not Public) rights of way
- Loss of a private view
- Devaluation of property
- Other financial matters

Matters controlled by other legislation - such as:

- internal space standards for dwellings or fire prevention
- Religious or moral issues - such as betting shops and amusement arcades
- The fact that the applicant does not own the land to which the application relates
- The fact that an objector is a tenant of land where the development is proposed
- The fact that the development has already been carried out and the applicant is seeking to regularise the situation. People can carry out development at their own risk before getting planning permission
- The developer's motives, record or reputation

1.6 Other matters of concern

Certain issues may not be considered as 'objections' but it is entirely reasonable for you to raise concerns on such issues and to ask to be kept informed before they are approved. These include:

- The proposed type and colour of the materials to be used
- The exact nature of any proposed planting or boundary treatment

Further information

The person making a planning application has to provide enough information for the application to be determined. They do not have to provide every single detail before an application can be approved because certain matters can be resolved by way of conditions included as part of the permission.

1.7 To find out if you need planning permission or building regulations visit the Planning Portal at: <https://swale.gov.uk/planning-and-regeneration>

2. MAJOR PLANNING APPLICATIONS AND APPLICATIONS FOR MULTIPLE DWELLINGS

2.1 Guidance for Councillors and Developers

Selling Parish Council recognises that pre-application discussions play an important role in major planning applications and welcomes the desire of developers to consult both the Council and the public more widely. However, the Council is also aware of the importance of public perception in planning and the need to avoid any appearance of secrecy.

2.2 Pre-determination

In all meetings with developers, councillors are reminded of the critical importance of not pre-determining their position on any future application. It is noted, however, that expressing a pre-disposition, for example of either 'welcome in principle' or 'concerns', is permissible.

2.3 Individual Councillors' discussions

If individual Councillors are approached by developers for informal discussions of possible future applications, all such requests should be notified to the Parish Clerk and referred to in a public meeting of the full Council.

2.4 Pre-application for public consultations

The Council will, in general, encourage developers to carry out a local public consultation before submitting plans for major developments. Developers will be asked to provide:

- assurance that submission is either already scheduled or firmly planned;
- an accessible venue with suitable scheduling to allow a wide range of people to attend;
- sufficient publicity to reach all likely interested parties in a timely manner;
- a genuinely open mind and willingness to adapt plans in response to feedback.

3. PLANNING ENFORCEMENT

If you suspect there has been a breach in a planning application you can report your concerns to Swale Borough Councils Enforcement Team by this link:
<https://swale.gov.uk/planning-and-regeneration/planning-breaches-and-enforcement>

This policy was adopted on the 15th February 2024. Minute reference 02.24.14.
