

SELLING PARISH COUNCIL

TELL US YOUR IDEAS for smartening up SELLING TRAIN STATION

What would you like to see here instead?

The wall is likely to stay

And the ideas so far are:

Display of historical photographs
and information

Raised beds for a community
garden

The Parish Council have approached National Rail to ask what they plan to do with this eyesore at Selling Station. They have no plans and so we are looking for ideas to present to them and then apply for a grant to fund it.

WHAT DO YOU THINK?
